

WHAT DO THEY DO?

Life Groups are small groups of people who meet together regularly to share life, build each other in spiritual maturity, learn more about Jesus, support and encourage each other.

Through Life Groups we are better able to care for and connect with one another.

There are different Life Groups for all kinds of people – whether you're single, a young adult, parent, working or are retired, there's a Life Group for you.

We all bring a plate of supper to share after the meeting and we are usually heading home by about 9.30 – 10.00. We try to have a meal together, or some sort of social activity 2 or 3 times a year, and try to keep in touch with one another if someone is having a difficult time for some reason.

The Olver life group is for all ages, but best suited to older parents whose children are self reliable. We love to mentor new Christians. We study straight from the Bible .We have a shared meal at the end of each term. We don't meet during the school holidays.
